

Legal Advisor – LL001

Job Level 2

We are currently looking for a Legal Advisor to join Legal Team on a six month fixed term contract.

The Legal Advisor will be responsible for providing legal support across all business areas on commercial and technology contracts and assist the wider team in supporting the business with managing legal risk.

The ideal candidate will have experience of reviewing, drafting and negotiating legal documentation within commercial and technology arrangements and will need to be able to support to the Legal Director in updating precedent documents and providing these to the business in a timely manner. Having a background in technology law would be advantageous. You must be a qualified solicitor or barrister.

We are looking for a person who has high quality drafting and technical legal skills and is able to demonstrate strong compliance with internal processes and policies. You will need to be a self-starter, highly organised and take ownership of your work through to completion whilst managing competing deadlines. Able to work with little supervision is required as you will need to be proactive and ideally suggest solutions before seeking help. Excellent written and oral communication skills are key as you will need to work collaboratively to enable you to resolve legal issues.

What we can offer you

A competitive salary up to £59,000 (dependent on experience), defined contribution pension scheme and 28 days holiday plus 8 days bank holiday.
